

Enterprise Software Initiative Agreements for DoD and Intelligence Communities

2 EASY-TO-USE CONSOLIDATED ORDERING METHODS!

Hardware & Software Support

BPA# DCA200-02-A-5011

The SSTEW (Sun Support Total Enterprise Warranty) BPA offers volume discounts for extended hardware and software warranty, support, maintenance, education and professional services for all Sun Microsystems® products.

- Lowers acquisition costs through order consolidation, co-terminus contract renewal management and volume discounts.
- Provides proactive contract renewal management to both end users and contracting officers—helping to prevent support lapses.
- Improves budgeting and asset management through our secure, online asset-tracking tool: Contract Management Center (CMC).
- Small Business 8(a) vehicle.

Software License & Support

BPA# N00104-08-A-ZF40

This BPA offers special pricing for Sun Software Licenses including SunOne, Java Enterprise Suite, Sun Ray, MySQL and other Sun Software options.

- Exceptional discounts for Sun Software Licenses and Software Subscriptions.
- Avoids redundant license agreements through our secure, online asset-tracking tool: Contract Management Center (CMC).
- Significant Volume Discounts extended for Java ES Base subscriptions greater than 20,000 users.
- Small Minority Business.
