NA - Not Available N/A - Not Applicable Note: The information on this list was supplied by representatives of the companies themselves. Companies are ranked by 2009 revenues. Numbers that appear to be tied have been rounded. To qualify for the list, a company must at least 50 percent minority-owned, privately-held and headquartered in Los Angeles County. Due to the right of privately-held businesses to withhold information, the Business Journal makes no pretense of this being a complete list of the largest minority-owned businesses in L.A.

County. To the best of our knowledge, this information is accurate as of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. Please send corrections or additions on company letterhead to the Research Department, Los Angeles Business Journal, 5700 Wilshire Blvd., Suite 170, Los Angeles 90036. ©2010 Los Angeles Business Journal.
